## The Physical Science Basis

The Working Group I contribution to the IPCC Fourth Assessment Report

### Errata

Note. The following is a list of errata and corrections to the above report. In some cases these only affect the version of the report provided on CD-ROM, which was finalised before the printed version of the report.

Please note that there are small colour differences between the CD-ROM and printed versions, and corresponding differences in colour descriptions given in the figure captions, which are not listed here.
